**Ballet Level 1-5**  
 We will teach Ballet Level 1, which is a true beginning level of classical ballet to advanced level five, where the students no longer need explanation of terms or execution. Your child will be placed according to age, years dancing, and level of execution. Every child is placed according to their needs. Be aware that pointe work should start near the age of 11. This will be determined on a case by case evaluation.

**Modern**  
 Modern takes lyrical type movement and places it to contemporary music. This style is on "So You Think You Can Dance".

**Tap Level 1-3**  
 Levels 1-3 cover beginners through advanced. Tap is all about terminology and executing steps correctly. Learn the latest steps. Complete class breakdowns online.

**Hip Hop**  
 Come join our dance crews. Learn the latest moves to the latest music. Classes are based on ages and experience. More information online. Pom elements such as turns, leaps and jumps will also be covered.

**Broadway Class**  
 If you want to dance like the stars on Broadway, this class is for you. Turns, leaps, jumps and other combinations to your favorite show. In the recital at the end of the year, you will perform production pieces such as Cats, Wicked and High School Musical. Pieces are chosen according to age.

**Tumbling**  
 You will work on and perfect everything from cartwheels to back handsprings. This core strengthening class will help any dancer.

**Company-** This is a specialty group that goes to competitions and performs outside of the end of the year concert. There are extra fees and rehearsal times for this group.
